## IT'S MAY!!

### **Mrs. Parker's News and Notes**

Happy Easter! Yes, it is still the Easter Season! It is also May, a busy time as we wrap up the school year. We also take time to reflect and see just how much your children have grown!

Thank you to those who turned in your Rice Bowls to us! We raised \$75 through our Rice Bowls for Catholic Relief Services; great job!

We look forward to the events of this month, which include class photos, May Crowning, a trip to the Zoo, Sports/Park Day, and graduation ceremonies!

On behalf of Miss Mary, Miss Trang, Miss Angelica, and Miss Kristina, we thank you for your support and prayers this year! We look forward to seeing some of you in the fall, and to those moving on to kindergarten, we send you with love and God's blessings!

We also want to extend Happy Mother's Day wishes to all the moms and grandmothers of our preschoolers!

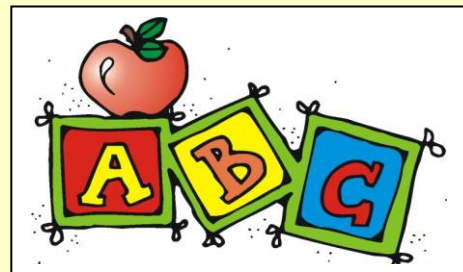

### **4's Place**

#### **Miss Mary and Miss Kristina**

Last month, we learned about the plant life cycle. To understand the process, we planted flower and bean seeds. The students were excited to see the seeds sprout and then turn into seedlings. We are continuing to watch our classroom seeds grow in our Science Center.

The month of May will be very busy! We are preparing for our Graduation Ceremonies. We will have our field trip to the Zoo. Please check the "Upcoming Events" box for more information.

The Graduation Ceremonies will be on May 25 and 26 at 9:15 a.m. in the Youth Center. There will be a brunch following the ceremonies. Sign up sheets for food, set up, and cleanup will be posted on the bulletin board.

### **3's Spot: Miss Angelica**

This month, we will be learning about our moms and wildlife. Learning about wildlife goes great with our field trip to the Zoo! Last month, we learned about Easter. Ask your child about Easter and how Jesus came back to life. We also learned about dinosaurs and the difference between carnivore and herbivore. We also talked about our wonderful dads.

## What's Happening?

May is the month of Mary! We will honor our Blessed Mother on Thursday, May 11 and Friday, May 12 and we ask each student to bring in a fresh flower for the event.

Our Field Trip to the Zoo is on Wednesday, May 17! Preschool students will be \$1.50 and **one** accompanying parent will be \$3.00. Additional family members may purchase their own admission at the zoo. Monies will be due Monday, May 15 and Tuesday, May 16. Don't miss the note with more details and the permission slip!

## Did You Know?

### *The Easter Season*

Easter is the celebration of Christ's resurrection from the dead. It is celebrated on Sunday, and marks the end of Holy Week, the end of Lent, the last day of the Easter Triduum (Holy Thursday, Good Friday and Easter Sunday), and is the beginning of the Easter season of the liturgical year. Following Easter Sunday, the season of Easter begins and lasts for seven weeks, ending with Pentecost.

## Reminders

- Check bulletin boards and your email often for Preschool information. *If you aren't receiving emails, or want to add another email address, please let Mrs. Parker know.*

Children need to wash their hands, at a minimum, prior to entering the preschool. They should also try to use the restroom!
