SPRING IS ALMOST HERE!

Mrs. Parker's News and Notes

Thank you all for the Valentine's Day treats! Lent has begun and spring is just around the corner. Like the blooming flowers, your children are blossoming and it is a blessing to witness!

I hope you are using your Rice Bowl to talk to your child about people who have less than us. Rice Bowls can be turned into your own parish or the preschool during Holy Week or right after Easter.

Welcome to our two brand new families; the Baca family (Breanna – 3s) and the Pacheco family (Bella – 4s)!

Please make note of the calendar changes for April/May (see the 'What's Happening' section of the newsletter).

We will have a Health Fair for all students on Thursday, March 8. Children who attend on MWF are welcome to come; an adult must stay with the MWF preschoolers while they are here (see the other side for more information).

Registration for 2018-2019 is well underway. Our 4s MWF class is 80% full and our 3s MWF class is 60% full. Sometimes our preschool still seems to be a "well-kept secret"! If you let the secret out, we are offering the following:

*Any current family who refers someone who then completes registration for 2018-2019 will receive a **\$100 discount** on current or future tuition! ~see Mrs. Parker for details*

3's Spot: Miss Jaclyn

February was a busy, fun month! We learned about showing acts of kindness and love. We used our imaginations to pretend we were in a rocket ship and walking on the ocean floor. We learned a new song, "Five Little Hearts", and sang to our parents! We are learning a new, funny, and silly song called, "Hip Hop Tooty Ta".

We celebrated Valentine's Day by creating our own Valentine boxes, giving/receiving cards, and enjoying goodies from our friends.

We talked about Ash Wednesday and the three important things to do during Lent: pray, fast, and give. We also know Lent lasts 40 days.

We celebrated Dr. Seuss's birthday by coloring and painting Thing 1, making "1 Fish/2 Fish/Red Fish/Blue Fish" with our hands, and Dr. Seuss Hat Names!

We continue to work on fine motor skills by cutting, coloring, painting, and tracing.

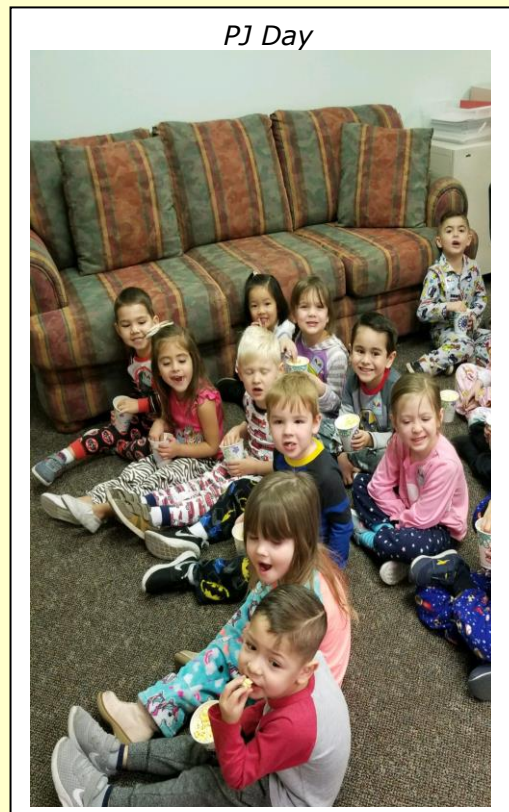

4's Place

Miss Mary and Miss Angelica

Last month was very busy! We learned about the 5 senses, feelings, how to stay healthy, and how God made each of us unique. We had a demonstration about the importance of sneezing and coughing into our elbows by seeing how far a sneeze or cough travels through the air. We loved having Pajama Day with popcorn and a movie. We also celebrated Catholic Schools Week by making stained cross crosses to take home and talked about how lucky we are to go to school where we can learn about Jesus.

The Valentine yogurt parfait party was a smash hit! Thank you for donating the food items!
